

COUNTY OF YORK

MEMORANDUM

DATE: June 2, 2004 (BOS Mtg. 6/15/04)

TO: York County Board of Supervisors

FROM: James O. McReynolds, County Administrator

SUBJECT: Law Enforcement Terrorism Prevention Program (LETPP)

The United States Department of Homeland Security has made Law Enforcement Terrorism Prevention Program grant funds available to localities. The Virginia Department of Emergency Management is coordinating the program in Virginia. The intent of this grant, which does not require a local match, is to assist localities in developing capabilities for detecting, deterring, disrupting, and preventing acts of terrorism. Expenditures under this grant are restricted to items listed in the 2003 State Homeland Security Assessment and Strategy Online Assessment Tool that was previously completed jointly by the York County Sheriff's Office and the Department of Fire and Life Safety. The list includes planning, training, exercises, organizational activities, and equipment to aid both departments in being better prepared for terrorism incidents.

Proposed Resolution R04-102 accepts and appropriates \$168,145 from the Law Enforcement Terrorism Prevention Program and authorizes the County Administrator to procure resources as allowed under the grant program.
